

2024 Summer REU Program in Chemistry & Environmental Science
Research Experience for Undergraduates on BioSensor Materials for Advanced Research
and Technology (BioSMART) at the Environment/Biotechnology Nexus

Application

Each applicant must submit the following materials

Fill out the Online Application Form

Personal Information

Name: _____

Current Address: _____

Phone: _____

Email: _____

Permanent Address: _____

Education

Current Institution: _____

Major / GPA: _____

Expected Graduation: _____

Chemistry and Related Classes taken or currently enrolled (include grade):

Proposed Mentor/Project Preferences

(Please select up to four Research Mentors)

Attachments

Please send the following attachments to price@njit.edu as PDF files.

1. **Personal Statement** of no more than 1,200 words describing your interest in chemistry, biochemistry, biological and environmental science:
Your research experience to date;
 1. Your career goals after graduation, and how receiving an award from participating in the BioSMART REU Program will further those goals;
 2. Your Proposed research project/mentor (s)
 3. Plan to contribute to scientific research to society.

4. A statement that you agree to participate in the BioSMART REU Program fully
2. **College Transcripts.**
College transcript, unofficial, including courses for Fall 2023
3. **Letters of Recommendation/ Research papers.**
Up to three supporting documents, including a) letters from science faculty that discuss your intellectual aptitude, desire to learn, perseverance, ability to perform independent research and potential as a scholar, and b) any research publication you authored.
